

# Ski Racing Coach

We are an international school based in Vienna, which has been running a school ski racing team for many years. Some of our kids have started skiing only recently, others have been on the regional ski circuit for quite some time.

While the current ski season is drawing to an end, we are starting to plan ahead for next year – and we want YOU to strengthen our team.

Position: Ski racing coach

Period: September 2022 – March 2023

During the pre-season, September to November, we'd like to run dry-land training on our school campus once a week to work with our kids on strength, balance, endurance, etc. We'd like you to get to know the team and to work on their overall fitness, of course specifically with skiing in mind.

Training, or racing, on snow is planned for the following dates, mostly in Hauser Kaibling, Styria (dates might still change slightly):

6. – 10. December 2022

19. – 23. December 2022

17. – 21. January 2023

12. – 17. February 2023

8. – 11. March 2023

We are looking for candidates who:

- have ski racing experience
- have completed a ski trainer education (USI grade F3, Instruktor, LS I or above)
- like to work with kids aged 10-18
- are comfortable with English

What we offer:

- Competitive compensation, both for dryland as well as snow training days
- Room & board during snow training and a Ski Amade season pass
- Opportunity to gain experience in an international (IB) school environment
